

Your Community Centre Needs You! Liskerrett Community Centre is looking for new trustees

Owned and managed for the community by the community, the Liskerrett Community Centre is a busy, friendly and vibrant multi-purpose community resource on Varley Lane in Liskeard. This is an exciting and forward-looking time for the Centre as we are becoming much busier, we have our vegetarian café open, and our garden has been transformed. We are trying to raise funds to replace our hall with a fantastic space for Liskeard to be proud of, that offers a wonderful environment for theatre and music performance, community activities and events, training and socialising.

As a trustee you will be joining a committed and passionate team of volunteers running the Centre, and you will help to make sure Liskerrett continues to be a hub of creativity and fun, and a resource for the community to use. We are particularly looking for people with experience of **capital and building development, finance, and fundraising**.

For more information please contact Isabel Livingstone, Chair of Trustees, on 07989 444417 / liskerrett.committee@gmail.com.
